

Photo Release

Orient Energy Systems (Pvt.) Limited (OES) participated in Textile Asia International Exhibition held for the 10th successive year at the Karachi Expo Centre from 8 - 10 March 2013.

The OES stall showcased internationally renowned brands to a wide array of audience, both industrial and consumer. The company had on display six of its international brands namely; GE Jenbacher Gas Engines, GE Water & Process Technologies, Cummins Diesel Engines and Gensets, New Holland Construction Machinery, Hangcha Forklift Trucks, Gardner Denver compressors along with Alternate Energy. A large number of visitors, foreign delegates, industrialists enquired about OES brands and took keen interest in the products.
