

For Immediate Release

Orient Energy Systems (Pvt.) Limited (OES) participated in the 19th HVACR Expo & Conference 2012 held from 1st to 3rd March at Jinnah Conventional Center, Islamabad.

The mega event was designed to display the latest technology and trends in the HVACR sector and the conference that followed provided a platform to get acquainted with the latest developments made at global level for the improvement of the industry.

The OES stall- spearheaded by Malik Riaz Awan (GM HVACR, OES) and his team showcased its brands to a wide array of audience, both consumer and industrial. The company had on display its four brands in the HVACR sector; Dunham Bush, Shuangliang, Euroclima and Midea. International delegates from all four brands were present at the exhibition. A large number of visitors visited the stall and showed keen interest in the products on display.

Orient Energy Systems (Pvt.) Ltd is one of the leading multinational engineering company distributing internationally recognized power generation and industrial solutions in Pakistan, Bangladesh and UAE.

OES is the authorized distributors for GE Jenbacher & Waukesha Gas Engines, Cummins Diesel Engines & Gensets, Midea AHUs and FCUs, Gardner Denver Compressors, Hangcha Forklift Trucks, Dunham Bush Air Handling & Fan Coil Units, Shuangliang Absorption Chillers, New Holland Construction Machinery, Euroclima AHUs, Briggs & Stratton Gas Gensets, GE Water & Process Technologies, OES Power Portable gensets and Valvoline Lube oil.

Our diverse clientele ranges from household consumers, government bodies, and local industries to multinational giants displaying our capabilities and the power of the brands that we represent.
